(c) Such amount as shall be determined by the Administrator in accordance with the provisions of **Section 4.02** hereof to be required for the payment of the principal of and interest on the Refunded Notes at the maturity thereof shall be held by the City and invested in obligations specified in **Section 8.03** of Ordinance No. 16564 and used and applied on the maturity dates of the Refunded Notes for such purpose; and

Section 3.09. Tax Covenants.

(a) The City covenants and agrees that (1) it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on each Series of 2005 Bonds and (2) it will not use or permit the use of any proceeds of any Series of 2005 Bonds or any other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the 2005 Bonds. The City will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on each Series of 2005 Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the City.

(b) The City covenants and agrees that (1) it will comply with all requirements of Section 148 of the Code to the extent applicable to each Series of 2005 Bonds, (2) it will use the proceeds of each Series of 2005 Bonds as soon as practicable and with all reasonable dispatch for the purposes for which such Series of 2005 Bonds are issued, and (3) it will not invest or directly or indirectly use or permit the use of any proceeds of any Series of 2005 Bonds or any other funds of the City in any manner, or take or omit to take any action, that would cause any Series of 2005 Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.

(c) The City covenants and agrees that it will pay or provide for the payment from time to time of all amounts required to be rebated to the United States of America pursuant to Section 148(f) of the Code and any Treasury Regulations applicable to each Series of 2005 Bonds from time to time. This covenant shall survive payment in full or defeasance of each Series of 2005 Bonds. The City specifically covenants to pay or cause to be paid to the United States of America, the required amounts of rebatable arbitrage at the times and in the amounts as determined by the Tax Certificate. Notwithstanding anything to the contrary contained herein, the Tax Certificate may be amended or replaced if, in the opinion of counsel nationally recognized on the subject of municipal bonds, such amendment or replacement will not adversely affect the exclusion from gross income for federal income tax purposes of interest on each Series of 2005 Bonds.

(d) The City covenants and agrees that it will not use any portion of the proceeds of any Series of 2005 Bonds, including any investment income earned on such proceeds, directly or indirectly, in a manner that would cause any 2005 Bond to be a "private activity bond."

(e) The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of each Series of 2005 Bonds pursuant to **Article X** of the General Ordinance or any other provision of the Ordinance, until the final maturity date of all 2005 Bonds Outstanding.

Section 3.10. Form of 2005 Bonds and Registrar's Certificate of Authentication. The form of the 2005 Bonds and the Registrar's certificate of authentication shall be in substantially the following form, with such variations, omissions and insertions as are required or permitted by the Ordinance:

However, so long as this bond and the series of which it is one are held in book-entry form pursuant to the Bond Ordinance, the provisions of the Bond Ordinance governing such book-entry form shall govern repayment of the principal, redemption premium, if any, and interest on such bonds.

This bond is one of a duly authorized series of bonds of the City designated as its "Lincoln Electric System Revenue Bonds, Series 2005" (the **"2005 Bonds"**), in the aggregate principal amount of \$150,000,000 issued under and pursuant to and in full compliance with the Constitution and laws of the State of Nebraska, including the Charter of the City, and Ordinance No. 17879 and all other ordinances amendatory of or supplemental to Ordinance No. 17879, including particularly Ordinance No. _____ (said Ordinance No. 17879 and all other ordinances amendatory of and supplemental to Ordinance No. 17879, including said Ordinance No. _____, being herein referred to collectively as the **"Bond Ordinance"**), duly adopted under said Constitution and laws, including said Charter, by the Council of the City. Copies of the aforesaid ordinances are on file in the office of the Clerk of the City. As provided in the Bond Ordinance, bonds, notes or other evidences of indebtedness of the City may be issued from time to time pursuant to supplemental ordinances in one or more series, in various principal amounts, may mature at different times, may bear interest at different rates and may otherwise differ and vary in their terms and conditions as provided in the Bond Ordinance. The aggregate principal amount of bonds, notes or other evidences of indebtedness which may be issued under the Bond Ordinance is not limited except as provided in the Bond Ordinance, and all bonds, notes or other evidences of indebtedness issued and to be issued under the Bond Ordinance are and will be equally secured by covenants made in the Bond Ordinance, except as otherwise expressly provided or permitted in the Bond Ordinance. All bonds, notes or other evidences of indebtedness issued under and pursuant to the Bond Ordinance, as the same may be amended and supplemented from time to time, and equally secured thereby are hereinafter called the **"Bonds."**

As provided in the Bond Ordinance, the Bonds are direct and special obligations of the City payable solely from and secured as to payment of the principal or redemption price thereof, and interest thereon, in accordance with their terms and the provisions of the Bond Ordinance solely by (a) the proceeds of the sale of the Bonds, (b) the Revenues (as defined in the Bond Ordinance), and (c) all funds established by the Bond Ordinance, including the investments and income, if any, thereof, subject to the

provisions of the Bond Ordinance permitting the application thereof for the purposes and on the terms and conditions set forth in the Bond Ordinance. Copies of the Bond Ordinance are on file at the office of the City, and reference to the Bond Ordinance and any and all supplements thereto and modifications and amendments thereof and to the Act is made for a description of the security interest, pledge and assignment and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the registered owners of the Bonds with respect thereto, with respect to giving any approvals or consents, exercising any remedies or taking certain actions pursuant to the Bond Ordinance, the terms and conditions upon which the Bonds are issued and may be issued thereunder, and for the other terms and provisions thereof.

To the extent and in the manner permitted by the terms of the Bond Ordinance, the provisions of the Bond Ordinance, or the provisions of any ordinance amendatory thereof or supplemental thereto, may be modified or amended by the City, with the written consent of the registered owners of not less than a majority in principal amount of the Bonds affected by such modification or amendment then outstanding under the Bond Ordinance, and, in case such modification or amendment would change the terms of any sinking fund installment, with such consent of not less than a majority in principal amount of the Bonds of the particular series and maturity entitled to such sinking fund installment then outstanding; provided, however, that, if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like series and maturity remain outstanding under the Bond Ordinance, the consent of the registered owners of such Bonds shall not be required and such Bonds shall not be deemed to be outstanding for the purpose of the calculation of outstanding Bonds. As provided in the Bond Ordinance (and unless otherwise provided in a supplemental ordinance), if a Credit Facility (as defined in the Bond Ordinance) is provided with respect to the Bonds of any series, or a maturity within a series, if not in default in respect of any of its obligations with respect to such Credit Facility, the provider of such Credit Facility (hereinafter, the **"Credit Enhancer"**), and not the actual registered owners of, such Bonds shall be deemed to be the registered owner of such Bonds at all times for the purpose of giving such consent. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or redemption price thereof or in the rate of interest thereon without the consent of the registered owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the registered owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary (as defined in the Bond Ordinance) without its written assent thereto.

The Bond Ordinance also contains provisions permitting the City, without the necessity for the consent of the registered owner of any Bond, to modify or amend the Bond Ordinance to cure ambiguities or defects in the Bond Ordinance, to clarify the provisions of the Bond Ordinance or to make any other modification or amendment which the Board determines will not have a material adverse effect on the interests of registered owners.

This bond is transferable, as provided in the Bond Ordinance, only upon the books of the City kept for that purpose at the above-mentioned office of _____, as Bond Registrar, by the Registered Owner hereof in person, or by its duly authorized attorney, upon surrender of this bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or its duly authorized attorney, and thereupon a new fully registered bond or bonds, without coupons, and in the same aggregate principal amount, shall be issued to the transferee in exchange therefor as provided in the Bond Ordinance, and upon payment of the charges therein prescribed. The City, the Registrar and any Paying Agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes.

The 2005 Bonds are issuable in the form of fully registered Bonds, without coupons, in the denominations of \$5,000 or any integral multiple of \$5,000.

Notice of redemption, setting forth the place of payment, shall be given by first class mail, postage prepaid, to the registered owners of the 2005 Bonds to be redeemed sent not less than 30 days nor more than 60 days prior to the redemption date, but the failure to give notice by mail, or any defect in such notice, to the registered owner of any 2005 Bond will not affect the validity of the proceedings for the redemption of any other 2005 Bonds. If notice of redemption shall have been given as aforesaid, the 2005 Bonds or portions thereof specified in said notice shall become due and payable on the redemption date therein fixed, and if, on the redemption date, moneys for the redemption of all the 2005 Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, then from and after the redemption date interest on such 2005 Bonds or portions thereof so called for redemption shall cease to accrue and be payable.

This bond shall be payable, as to principal and redemption price hereof, and interest hereon, solely from the Revenues and other funds of the City as provided in the Bond Ordinance and neither the State of Nebraska nor any political subdivision (other than the City) shall be obligated to pay the principal or redemption price hereof or interest hereon and neither the faith and credit nor the taxing power of the State of Nebraska or any political subdivision thereof is pledged to the payment of the principal or redemption price of, or interest on, this bond. No registered owner of a Bond or receiver or trustee in connection with the payment of the Bonds shall have any right to compel the State of Nebraska, any political subdivision thereof to exercise its appropriation or taxing powers. No director, officer, agent or employee of the City shall be individually or personally liable for the payment of the principal or redemption price of or interest on this bond.

It is hereby certified and recited that all conditions, acts and things required by law and the Bond Ordinance to exist, to have happened and to have been performed precedent to and in the issuance of this

bond, exist, have happened and have been performed and that the 2005 Bonds, together with all other indebtedness of the City, complies in all respects with the applicable laws of the State of Nebraska.

(2) Any amount in any account in the 2005 Debt Service Reserve Fund in excess of the Reserve Requirement on the Series of 2005 Bonds for which such account was established shall be transferred to the Bond Fund and credited against the payments of the principal and interest next becoming due on such Series of 2005 Bonds.

(3) On the interest payment date immediately preceding the final maturity date of any Series of 2005 Bonds, money held in the account in the 2005 Debt Service Reserve Fund established with respect to such Series of 2005 Bonds shall be deposited into the Bond Fund and credited against the deposits required to be made into the Bond Fund with respect to such Series of 2005 Bonds but only to the extent that, immediately following such crediting and transfer, the amount on deposit in such account in the 2005 Debt Service Reserve Fund is equal to the lesser of (A) the Reserve Requirement with respect to such Series of 2005 Bonds or (B) the amount of principal and interest due in respect of such Series of 2005 Bonds on such final maturity date.

(d) The City and the Board shall be permitted to substitute a letter of credit, surety bond or other credit enhancement (each, a “**credit facility**”) for funds on deposit in any account in the 2005 Debt Service Reserve Fund, provided that:

(1) the credit facility (including any replacement credit facility) is issued by a bank, trust company, national banking association or insurance company whose unsecured long-term debt obligations (in the case of a bank, trust company or national banking association) or whose claims paying abilities (in the case of an insurance company) are rated not lower than the “AAA” Rating Category by a Rating Agency at the time the credit facility is issued and at the time of each extension or renewal thereof;

(2) the issuer of the credit facility receives as security for any reimbursement obligation in respect of the credit facility a lien solely on the Net Revenues on a parity with any Bonds or Parity Obligations then Outstanding; and

(3) the credit facility (including any replacement credit facility, if provided by a different issuer) has an initial term of not less than one year and any extension, renewal or replacement (if provided by the same issuer) thereof has a term of not less than one year.

Upon such substitution, funds on deposit in any account in the 2005 Debt Service Reserve Fund which, when added to the face amount of the credit facility, exceed the Reserve Requirement with respect to the Series of 2005 Bonds for which such account was established, shall be applied as provided in **Section 3.11(c)(2)** above (subject to yield restriction, if any, as determined by Bond Counsel). Thereafter, the credit facility shall be considered a part of such account in the 2005 Debt Service Reserve Fund and the amount available thereunder shall be included in any calculations of the amount required to be retained in such account in the 2005 Debt Service Reserve Fund; provided that, (A) if the sum of the amount available under the credit facility and the amount of moneys on deposit in the related account in the 2005 Debt Service Reserve Fund exceeds the amount required to be on deposit pursuant to **Section 3.11(a)** above, the Board shall be permitted (I) to cause the amount available under the credit facility to be reduced by an amount equal to such excess, or (II) to direct that the excess money be applied as permitted under **Section 3.11(d)(2)** above, and (B) if the credit facility is not extended, renewed or replaced at least six months prior to its scheduled expiration or termination date, unless such account in the 2005 Debt Service Reserve Fund is otherwise terminated in accordance with the provisions of this **Section 3.11**, the Board shall be obligated to restore the difference between the Reserve Requirement and the value of such account in the 2005 Debt Service Reserve Fund computed without regard to the credit facility prior to the expiration or termination date of such credit facility.

(e) The City and the Board shall have the option to terminate any account in the 2005 Debt Service Reserve Fund and to have transferred to the Bond Fund all amounts held therein if the Net Revenues for each of the three preceding Fiscal Years are not less than 140% of Debt Service in such Fiscal Year on all Bond and Parity Obligations then Outstanding, based on the audited financial statements for such Fiscal Year. Upon receipt of the audits described in the preceding sentence, the Board shall transfer all amounts held in such accounts in the 2005 Debt Service Reserve Fund to the Bond Fund and use the same to pay debt service on the Series of 2005 Bonds for which such account was established (subject to yield restriction, if any, as determined by Bond Counsel).

(f) If, after the City and the Board shall have elected to terminate any account in the 2005 Debt Service Reserve Fund in accordance with the provisions of this **Section 3.11**, the Net Revenues for any Fiscal Year are less than 140% of Debt Service in such Fiscal Year on all Bonds and Parity Obligations then Outstanding, the Board shall within thirty (30) days of such determination deposit in such account in the 2005 Debt Service Reserve Fund an amount equal to the Reserve Fund Requirement with respect to such account.
